PROFESSIONAL SUMMARY

Creative Designer and Senior Executive, Media & Graphics at Titans Corporation with experience in AI-assisted creative production, brand visuals, social media campaigns, e-commerce content, photography direction, video editing, influencer marketing, and visual storytelling. I combine design skills, content strategy, and AI tools to create modern brand campaigns, product visuals, and marketing assets for digital platforms.

WORK EXPERIENCE

Senior Executive, Media & Graphics

Titans Corporation

Karachi | May 2024 - Present

- Create brand visuals, social media creatives, product visuals, website banners, and marketing assets.
- Develop AI-assisted visual concepts for campaigns, e-commerce content, and digital media.
- Plan content around seasons, festivals, product launches, trends, and audience demand.
- Support studio shoots, product photography, video content, and influencer-generated content.
- Contributed to Urban Buck through campaigns, product content, and influencer collaborations.

Graphic Designer & Video Editor

Premio Travel & Tours Pvt. Ltd.

Karachi | Jun 2023 - May 2024

- Designed social media creatives, promotional content, and digital marketing visuals.
- Edited video content and created layouts, typography, and campaign graphics.

Operational Specialist

Integrity Technologies

Remote | Oct 2023 - Dec 2023

- Supported design, operations, social media management, email marketing, and content coordination.

Graphic Designer

Encephalon Systems

Karachi | Aug 2023 - Oct 2023

- Created digital creatives, artwork, marketing visuals, and social media content.

Graphic Design Specialist & Video Editor

QRS Designflex

Remote Internship | Mar 2023 - May 2023

- Completed internship work in graphic design, creative ideation, video editing, and digital content.

FEATURED WORK
